

OCT. 26, 2004

On the week of Oct. 18, 2004,
we acquired the services of
Legitime Estates Liquidations through
referral of our real estate brokers, Jimmy
Smith in Marietta, Ga. Proprietors of
^{Estates Liquidations,}
Kathy Balducci and Anita Keisinger,
They assisted us in our move from
start to finish.

These delightful sisters held our
hands, dried our tears, packed our
belongings, and held a fabulous
estate sale. They did the working,
worrying and collecting for us.
Kathy and Anita were professional
and efficient, as well as personable
and loving to two rather confused
and ~~behold~~ bewildered elders.

I'd also like to add that we resided
in this house for 30 years, making
the move unbelievably difficult for
us and for Estate Liquidators.

In addition to the above, Kathy
and Anita flew to Memphis, unpacked
us and actually set up our new
home.

Our new friends treated us like
family and, in turn, we now
consider them our girls, too.

The estate sale was profitable
beyond our expectations and we will
be forever grateful
