

S Anita & Cathy,

Wow! What a great job you ladies have done in liquidating the contents of our Mom's home! Y'all are the best. I cannot imagine working with any other estate sale company during this difficult time for our family.

We feel we have gained two close friends of our family through this estate sale. The two of you and your staff completely organized the chaos in Mom's house and presented all of the items in a visually pleasing manner. Your team's knowledge of the value of her items was astounding!

Thank you for your help! You will receive an "unconditional" referral from me & my family for anyone interested in working with lifetime liquidation.

Thank you again!

All the Best,
