Dear Anita:

I want to express my appreciation to you for all of your help and hard work in the sale of my father's and brother's house and the estate sale of the contents. I don't have the words to tell you what it has meant to me to have someone as professional and dependable as you take care of the real estate transaction and the estate sale. Living a thousand miles away and trying to settle two estates has been very trying for me and my family. Just dealing with the loss of Dad and David in two years made this a very painful task, but your kindness and understanding of my needs gave me confidence and assurance that this could easily be handled from a distance.

It was such a relief knowing that you were at the house with the movers to oversee that everything coming to Connecticut was packed and loaded properly. I appreciate your attention to details, especially the little things such as mailing me a left over power cord and a few more papers found in a drawer. I could not have done this without all of your hard work and support.

I will always be grateful to you for your kindness and professionalism through this process. I will be happy to provide a reference for you to anyone who is selling a home or needs to liquidate an estate.

I wish you all the best and continued success. I hope that you and your family can enjoy the rest of your summer.

Sincerely yours,

Donna Geuser
