I can't believe it has been 8 weeks since our estate sale! I just wanted to sincerely thank you for making the sale the absolute simplest, most pain-free part of handling my aunt's estate.

Since I live in a different state, all of my duties have been a little bit more challenging. But you could not have made things easier or more pleasant.

My aunt had 80 years worth of life in a very large home she had lived in for more than 30 years. I was overwhelmed just thinking about the job ahead. But you and your staff went above and beyond, sorting, displaying, advertising, selling and then arranging for the charity pick-up at the conclusion of the sale. The results and proceeds of the sale far exceeded my expectations.

I also want to thank you for your professionalism, compassion and sensitivity. We were sure we had gone through every nook and cranny and found all the photos and mementos...but alas we had missed some... and the fact that you found them, recognized their importance and set them aside for us means a great deal. Throughout the entire process you honored and respected my aunt's life and her belongings. I felt like I got the same service you would provide for a member of your own family.

I really can't say enough about the work you do. I would wholeheartedly recommend you to anyone looking for downsizing or liquidation services. I would be happy to speak to any clients wanting more information.

I hope you and your staff are well.

Sincerely,

Beth Herendeen
