> Kathy ~ John and I would like to take this opportunity to say THANK YOU so much to you and your staff for all that you did to make our recent Estate Sale such a success.

>

> Needless to say, it was a bit overwhelming trying to figure out how we could effectively downsize (based on the amount of our "stuff") as we relocate from a large home to life cruising on a boat.

>

> Thankfully, John solved our dilemma when he found you and Lifetime Estate Liquidations. At our very first meeting, we knew we were in good hands. There was no doubt that you were very experienced in this process and would have our best interest as your top priority.

>

> As for the preparation, we were more than impressed with how efficiently it was handled. It was amazing each day to see how well organized everything was and what you had accomplished in such a short amount of time. The end result was far beyond our expectations.

>

> Regarding the actual sale, as you know my father came by a couple of times and had nothing but wonderful comments to share. He was also very impressed with the professionalism he observed, which was a continuation of what we experienced pre-sale. As a side note, when he makes the decision to sell his current home and downsize, he will be contacting you without hesitation.

>

> It is obvious that you truly love what you do and it was such a pleasure meeting you, your sister, and everyone else from the team.

>

> Thanks again for all that you did! It is more appreciated than you could ever imagine.

>

> Best Wishes,
