Dear Anita,

Thank you so much for taking such good care of my family's estate during this difficult time.

When I was searching on line for a company that handled Estate Sales, I had no way of knowing for sure what kind of people I'd be dealing with. Your website is well-organized and informative, and my impression of you during our initial consultation was very good as well- but I could not have imagined what a wonderful company I was about to deal with.

You and your colleagues showed the perfect balance of business professionalism and personal care. You made me feel that I could relax and let you take care of everything, and indeed you did! I especially appreciated how thorough you were in making sure there was nothing of a personal nature that had accidentally been left behind. You did a beautiful job setting up and executing the sale, and I was extremely pleased with the outcome.

It was so good to know that I was dealing with an extremely honest, kind and professional group who would represent my interests without me having to personally manage the disposition of such sentimental items. I have already recommended you to others, and will continue to do so.

You are providing a wonderful service to the community, and I wish you all the best.

With much gratitude,
Pam Swan
